Details:

On the listed date and time, Officers and Fire Fighters from the Grants Pass Department of Public Safety responded with medics from AMR to the intersection of the Grants Pass Parkway and Agness Ave for a report of a vehicle that struck two pedestrians.

Officers and a detective from GPDPS investigated the incident. It is believed Anne L. Touloukian and Lee Shenk were crossing south across the GP Parkway in the crosswalk when they were struck by the driver, John L. Britten. Medics with AMR transported both Touloukian and Shenk to Three Rivers Medical Center (TRMC) for treatment.

Touloukian was treated and released with minor injuries and Shenk is currently at TRMC in critical condition. The investigation is ongoing and further information will be released as it becomes available. No charges have been filed against the driver at this time. Charges will be determined once the investigation is complete.

Anyone with information regarding the incident is urged to contact Detective Jesse Meinerts with the Grants Pass Department of Public Safety, at (541)450-6260.
